

## **Norton Reservoir Rules and Regulations for Fishing**

### **Virginia Department of Game and Inland Fisheries Trout Waters**

VDGIF has added Norton Reservoir to its catchable trout stocking program.

The lake will receive stockings between October 1<sup>st</sup> and May 15<sup>th</sup>.

A VDGIF trout license is required in addition to freshwater fishing license between

October 1<sup>st</sup> and June 15<sup>th</sup>.

A trout license is not required from June 16 through September 30<sup>th</sup>.

A daily creel limit is 6 fish per day and trout must be 7 inches or longer to harvest.

Except for trout and catfish, the reservoir is a catch and release fishing area.

No Swimming

No Gasoline Motors

No Littering

The Reservoir is open for use each day from one (1) hour before sunrise until 12:00 midnight.

It is unlawful for any person to use the reservoir between 12:00 midnight and

one (1) hour before sunrise.

Stocking information can be obtained from the VDGIF website or by calling 434-525-FISH

For reservoir information call The Norton Parks and Recreation Department at (276) 679-0754
